Rovelstad â€œ US Navy, Brother-in-Laws to be late 1944/early spring 1945, As requested, attached is the military pic of Art/Randy/Gordy in their Military garb. I am sure it was in late 1944/early 1945 . There is light snow on the ground to the right and the trees are bare. Everyone was married in spring/summer 1945 but the war was over before the fall of 1945. Randy and Gordy stayed in the service longer, but Art was discharged by fall. Art is uncertain of the timeline, but agrees with my estimate. (Jean Rovelstad)	Copyright 2020 by The Nesse Family
